A Word About Activities

Seasons Greetings! We have a lot of activities going on this month so keep your calendars close by so that you don't miss anything.

Just want to let you know that the first three Monday nights of this month we will be taking a ride around time to see the lights, leaving promptly at 6:00 PM.

We annually have a door decorating contest, so decorate the outside of your hall door and you may win a prize. One door from each wing will be selected. The guest judges are selected from the outside so that there is no partiality. Judging day will be on the seventeenth.

We are having a non-traditional resident Christmas party theme this year. We are going "Tropical-Casual". Go into your closet and pull out those floral and tropical blouses and shirts, as we are having a contest for the most tropically dressed man and woman. To help carry out our theme we are having an authentic steel drum player for our musical entertainment.

I want to remind you that at this time of the year activities are subject to change, as we usually have last minute groups who like to come in and sing or entertain, particularly carolers. I will post signs to let you know when I know that they are coming.

Marc Clermont will be here on Saturday December 31st for our "Noon Years eve Party" at lunch time. Please come and fellowship with your friends and neighbors and share a toast with them for the New Year, 2012. Happy New Year to everyone!
